RE: Charles Donald Corley, AIS 184756

Honorable Members of the Parole Board,

My name is (your name) and I am writing on behalf of the victims of **Charles Donald Corley, AIS 184756**. He is an admitted child molester who was given a 30 year sentence in 1995, and is currently serving in Kilby Correctional Facility. Please deny parole to Charles Donald Corley at his upcoming parole hearing.

Conventional wisdom and statistics show that he will offend again. This is backed up by hard research. The Bureau of Justice statistics state, "offenders who served time for sexual assault were 7.5 times more likely as those convicted of other crimes to be re-arrested for a new sexual assault," regardless of the treatment they receive. Statistics also show that the median age of sexual assault victims is 13 years. (BJS report NCJ-163392) Corley preyed on young teenage boys - a classic pedophile. Charles Donald Corley should not be allowed his freedom until his sentence has been fully served.

I care about the safety and security not only for the current residents of Alabama, but also for future children that Don Corley may or may not be attracted to. Because of this, I again ask that you **DENY PAROLE to Charles Donald Corley** at his hearing.

Sincerely,

(Your Name)
