In re: **Charles Donald Corley**
AIS # 184756

Dear Cynthia:

It is my understanding that a parole hearing has been scheduled for Mr. Charles Donald Corley AIS # 184756 on Tuesday, January 31st. My constituents and I respectfully request that this man not be granted parole. I have victims who live in my Senate District and I am very familiar with this case. His crimes against little boys are particularly heinous. Allowing Mr. Corley to reenter society would be an enormous mistake, in my opinion.

I respectfully request that you not allow Mr. Corley to be paroled. Please place this recommendation in Mr. Corley's file for consideration by the Alabama Board of Pardons and Parole.

If there is anything further that I can do, please call.

Sincerely,
Alabama State Senate
