Re: Charles Donald Corley
AIS# 184756

Honorable Board Members:

It has come to my attention that Inmate Charles Corley is once again up for consideration of parole on January 31, 2012. I sincerely urge you to deny any appeal made on his behalf for early release. If there has ever been a case where a criminal deserves to remain in prison, and deserves truth in sentencing this case warrants it.

He is a sexual predator of our finest youth. The youth known as, The Boy Scouts of America. This man cultivated relationships with these young men and their families. He nurtured these relationships until they were just deep enough to encourage these trusting youths to have sexual encounters with him forever robbing them of their innocence.

Therefore, the only decision to make in the interest of justice would be to deny this inmate early release, thereby keeping the personification of pure evil off of the streets and out of the neighborhoods of the Great State of Alabama.

Thank you for your consideration of my request.

Sincerely,

Mike Hale
